

AVK FIXED STREET COVER

04/N-002

Cast iron

AVK offers a very wide range of street covers and surface boxes in fixed, floating and height adjustable designs. The large chamber provides easy access for mounting and demounting extension spindles and the closed design protects the extension spindle against sand and dirt.

Product description:

The street covers of cast iron are pre-mounted with a sealing for optimum tightness between lid and body. The closed design protects the extension spindle against sand and dirt.

Features:

- Body and Lid of grey cast iron
- Lid sealing in NBR rubber
- Withstand highway traffic loads, exceeding AASHTO H-20 requirements
- Epoxy coating to DIN 3476
- Lid inscriptions in Arabic - see reference table below

The designs, materials and specifications shown are subject to change without notice due to the continuous development of our product range.
